INTRODUCTION TO WWW.GOLDENGODDESSES.BIZ

*Self Portrait
Marguerite A. Fair - 2009*

Hello! My name is Marguerite Anne Fair-Kosciwicz. I was born in May of 1948 and that makes me a Golden Goddess!

As a mature woman and a creative person, I am determined to continue living my life with the vision of new ventures and the joy of being a productive and happy person. I want to grow as a person and expand my horizons each day.

This online community membership site was started by me with the hope of inspiring other Baby Boomer generation women to come together to celebrate our lives, exchange ideas, create and attend events, promote our businesses and share our wisdom with the world!

We have voices, dreams, goals, passion and choices about how to live each day. Let's share the adventure together!

HOW WWW.GOLDENGODDESSES.BIZ WORKS!

*The Golden Goddess is a paid membership site for women **sixty years old and older.***

With the strained economic climate, I wanted to make this online community affordable to everyone, and at the same time be able to keep it running and use it as a tool to help all of us promote our businesses. While the regular cost to join is \$40.00 per year.....

"To become a part of this wonderful community of woman over sixty the cost to join for the entire year of 2010 is only \$20.00!!! This is for a lifetime membership!"

The membership enables you to participate in the Golden Goddesses Online Beauty Pageant! You will have a chance to win over \$500.00 in cash and prizes!

*The yearly maintenance fee to keep your links and information updated and on the site is only **\$5.00 a year provided you join in 2010!***

The \$5.00 is due on the anniversary of the month when you joined the site.

The regular year maintenance fee is \$10.00 for anyone joining after 2010.

Time to move Forward!

As we women end up on our own, it becomes more important to formulate connections to our peers and establish new goals and lifestyles.

Our family ties change. Children grow and have their own lives to live; some of us lose husbands and friends. Time indeed does change the dynamics of life in a heartbeat.

Life does go on as it should and the best way to honor ourselves and our lives is to move forward! Make new friends, start new ventures and keep the fire of passion glowing brightly.

- **We are the new generation of mature women!**
- **We make a difference!**
- **We have a lot left to offer ourselves and others!**
- **We have a daily choice to enjoy our lives!**
- **We appreciate our value!**
- **We have learned to trust our instincts!**
- **We do not live in fear!**

Being a part of the **Golden Goddesses community** can help you to better enjoy your Golden years by making new friends and allowing yourself new experiences!
